

Membership Information

Membership in your Calimesa Chamber of Commerce is an investment in your local community and is vital to our success as well as the benefits it brings to help enhance and promote your business. As the first point of contact for community information or referrals we are here to help promote your business or organization. The Chamber will be happy to assist you with planning and participation in a Grand Opening, Mixer, Business Anniversary or special event – anything to bring awareness and information about your business to local as well as surrounding communities.

Your membership in the Calimesa Chamber of Commerce can assist in opening doors of introduction to policymakers and state, county and city officials. Through attendance at our fund raising events, you increase the opportunity to engage others on matters of interest and help address the concerns of local business owners. All Chamber memberships include the opportunity to place your business information in our Welcome To Calimesa new homeowner bags which are personally delivered to our new Calimesa Citizens by our Chamber Ambassadors. Networking with Calimesa Chamber Business Members strives to bring attention to and steward contributions made in Calimesa's economy. Together we as Chamber Advocates, Business Owners and Residents, remain interconnected in support of each other. Your support at our events is important to build relationships within the community and improve your business.
